

improving safety

Dear Sirs,

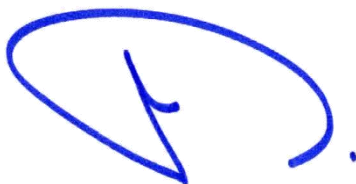

We are pleased to welcome you to Cofem, which after their 45th anniversary of efforts, hard working and dedication continues with the same enthusiasm with which started and with the same goal of providing efficient solutions in the field of fire safety.

We would like to invite you to discover our range of products that offer the maximum protection and safety, guaranteeing the confidence that our clients deserve. Our team, keep working with the desire to overcome the challenges that our increasingly demanding society imposes on us, forcing us to constantly innovate and improve day after day the quality of our manufactures.

We remain at your disposal to receive all your suggestions.

Without further ado, receive a cordial greeting.

Yours faithfully,

Magnolia Fernández
CEO

Fire Protection Manufacturer
ISO 9001/2015 certificated by **AENOR**.
